Dear Mr Lupoli,

Hope this letter finds you in the best of your health. As per our telephone discussion yesterday regarding your interest in a partnership with Bread N' Butter, I would like to schedule a meeting for appointment at your earliest convenience. I would like to discuss the details of the partnership and what the benefits of joining the Butter family would be.

Working with your company and team members would be an honor, and we are very excited for the opportunity for Bread N' Butter to help your business grow. Sal's Pizza as a partner with Bread N' Butter can be a huge success in future, and as a result grow your profits.

If it is at all possible to schedule the meeting within this week that would be preferable as I am flying to California next week on a business trip. Let me know the best date and time to meet with you and I will be happy to schedule it.

Sincerely,

Teresa Adams
